Introduction

- A tech enthusiast with a keen interest and passion for technical stuff and technology.
- A MERN stack web developer, with frontend development as the forte.
- A confident speaker, having a strong command on verbal communication skills.
- A strong team player with coordination skills and the ability to adapt quickly in any team environment.

Education

- **MCA** (2025 – present)
University: GGSIPU
CGPA: 9.12 (*till date*)
- **BCA** (2021 – 2024)
University: GGSIPU
CGPA: 9.17
- **XII** (2020 – 2021)
Board: CBSE
Percentage: 94.8%
- **X** (2018 – 2019)
Board: CBSE
Percentage: 95%

Technical Skills

- **Programming Languages:**
Java, JavaScript
- **Technologies:**
MERN Stack (JS), Tailwind CSS
- **Databases:**
MongoDB

Achievements

- I have organized, participated in, and won several coding competitions and hackathons.
- I have been one of the finalist teams in 'Smart India Hackathon (SIH) 2022'. I have also won a Google hackathon.
- I have organized a hackathon called 'Code Kshetra' in collaboration with Geek Room.
- I have judged a hackathon called 'Algo Rush'.

Projects

Partially True

Partially True is a browser-based game where the computer chooses a number and you must guess it within given tries. For each digit you enter, the computer tells you which digit is in the number, which digit is not in the number, and which digit is at the wrong position.

Tech: React.js, Tailwind CSS

Link: <https://partially-true.vercel.app>

Evil Simon

Evil Simon is a browser-based game which derives its inspiration from 'The Simon Says' game and is a difficult version of it.

Tech: React.js, CSS

Link: <https://evil-simon.vercel.app>

Mini-Games

Mini-Games is a Command line Python project consisting of several fun mini-games and IQ games.

Tech: Python

Health Elevator

Health Elevator is a website that helps the users to search for the nearby medical stores and set the reminders for medicines. Since most of the people actively use WhatsApp, all the reminders will be sent to your WhatsApp number.

Tech: MERN (JS), CSS

Demo Video: https://www.youtube.com/watch?v=l5zPGm_Op40

Certifications

- I received a certification from *Tech Explica*, for completing the Summer Training Program on MERN Stack.
- I received a certificate, certified by *Bajaj, The Milk Bag Project* and others, for organizing a milk packet collection drive in JIMS Rohini Sector 3 and Sector 5.
